DESIGN

- 1972 **Scintilla AT1F** - system of halogen lamps naked on cable - coll. Arch. L. Castiglioni
production Fontana Arte
- 1972 **Scintilla BT** - wall, ceiling, suspension lamp - coll. Arch. L. Castiglioni
production Fontana Arte
- 1980 **Parola** - floor, table, wall glassware lamp - coll. Arch. G. Aulenti
production FontanaArte
- 1980 **Medusa** - floor, table lamp - coll. Arch. G. Aulenti
production Stilnovo
- 1980 **Scintilla CT** - system of halogen lamps naked on cable - coll. Arch. L. Castiglioni
production Stilnovo
- 1981 **Nina** - table glassware lamp - coll. Arch. G. Aulenti
production Fontana Arte
- 1981 **Canna** - floor, table, hanging, wall pirex glassware lamp (nuda or fiorita) - coll. Arch. R. Menghi
production Fontana Arte
- 1981 **Minibox** - table, wall painted iron lamp - coll. Arch. G. Aulenti
production Stilnovo
- 1981 **Econolume** - project and realisation of a lamp for "Il mobile infinito"
production Alchimia
- 1982 **Edi** - floor, hanging, wall, table waterproof lamp
production Fontana Arte
- 1982 **Lamina** - floor, wall lamp - coll. Arch. R. Menghi
production Plana
- 1983 **Scintilla** - system of halogen lamps naked on cable: wall, suspension, floor, table
production Fontana Arte
- 1983 **Parodia** - table lamp
production Fontana Arte

- 1984 **SPT** - wall lamp
production Fontana Arte
- 1984 **BT Sommatoria** - wall, ceiling, suspension lamp
production Fontana Arte
- 1986 **Bugia** - wall lamp - coll. Arch. G. Aulenti
production Fontana Arte
- 1986 **Diamante** - wall lamp - coll. Arch. G. Aulenti
production Fontana Arte
- 1986 **Parolona** - floor glassware lamp - coll. Arch. G. Aulenti
production Fontana Arte
- 1986 **Ermitage** - glassware show case with halogen illumination - coll. Arch. P. L. Cerri
production Fontana Arte
- 1986 **Cestello** - lighting system for lighting display areas and for any sitting in which lighting must be extremely flexible - **Selected for the "Compasso d'oro" in 1995** - coll. Arch. G. Aulenti
production iGuzzini
- 1987 **Emulo** - glassware hanging lamp
production Fontana Arte
- 1987 **Acutino** - waterproof wall or standing lamp
production Surya Illuminazione
- 1987 **Prione** - wall waterproof lamp
production Surya Illuminazione
- 1987 **Sillaba, Sillabona, Dicrosillaba, Sillabat, Mirror Sillaba, Sillaba da tavolo, Sillaba con snodo, Sillaba da incasso, Sillaba a sospensione** - system of halogen lamps: table, wall, suspension, ceiling, recessed
production Fontana Arte
- 1988 **Palio, Palio ar, Palio da tavolo, Palio s, Palio d, Doppio Palio s, Doppio Palio d** - system of halogen lamps: table, wall, hanging, ceiling
production Fontana Arte
- 1988 **Calle** - wall halogen lamp
production Fontana Arte
- 1988 **Pietra** - table lamp - coll. Arch. G. Aulenti
production Fontana Arte
- 1990 **Semaforo con Sillaba, Semaforo con Palio** - wall, ceiling lamp - coll. Arch. G. Aulenti
production Fontana Arte
- 1991 **Suor Orsola** - floor lamp
production Fontana Arte
- 1991 **Belem** - wall recessed halogen lamp
production Fontana Arte
- 1992 **Livio** - waterproof lamp
production iGuzzini

- 1992 **Edge** - waterproof floor, wall lamp
production iGuzzini
- 1992 **Dicroshelf** - wall glassware halogen lamp
production Fontana Arte
- 1992 **Cardano** - recessed halogen lamp
production Fontana Arte
- 1992 **Aldabra** - wall, hanging glassware lamp - coll. Arch. G. Aulenti
production Fontana Arte
- 1992 **Raggio** - garden halogen lamp
production Fontana Arte
- 1992 **Acca** - outdoor floor, wall, suspension lamp
production Fontana Arte
- 1993 **5135 - 5136** - recessed halogen lamp
production Fontana Arte
- 1994 **Diastema** - recessed halogen lamp - coll. Arch. G. Aulenti
production Fontana Arte
- 1993 **Cestello floor lamp** - indoor floor lamp in extruded aluminium - coll. Arch. G. Aulenti
production iGuzzini
- 1996 **Circo** - recessed halogen lamp, glass diffuser in different colours
production Fontana Arte
- 1996 **Palio Quadri** - wall lamp
production Fontana Arte
- 1997 **AT2F** - system of halogen lamps naked on two parallel cables at 220 V
production Fontana Arte
- 1997 **Radius** - waterproof projector for exterior with patented optical system to create a "blade" of light
production iGuzzini
- 1997 **Platea** - waterproof projector for exterior with four optical system (symmetrical, asymmetrical, flood, spot) for different lighting source - coll. Arch. M. Cucinella
production iGuzzini
- 1998 **Cestello minimal, frame, trimmer** - the recessed systems - coll. Arch. G. Aulenti
production iGuzzini
- 1997 **Cylindrical cestello** (small/large) - suspended fitting - "iF Product Design Hannover Award 1997" - coll. Arch. G. Aulenti
production iGuzzini
- 1999 **Microcestello, Microcestello 2, Microcestello 3, Microcestello 4, Microcestello spot, Microcestello recessed** - floor lamp, wall luminaires, ceiling and pendant fittings - "iF Product Design Hannover Award 2000" - coll. Arch. G. Aulenti
production iGuzzini

- 1999 **Libra, Libra 1, Libra 2** - ceiling-mounted luminaire - coll. Arch. L. Massoni
production iGuzzini
- 2000 **Light shed** - recessed-mounting units to house three, four or six low voltage halogen lamps
Selected at Premio Intel Design 2001 - "iF Product Design Hannover Award 2000"
production iGuzzini
- 2002 **Tratto** - wall lamp for exteriors and interiors
production Fontana Arte
- 2005 **Diablo** - standing lamp for exteriors, made of sturdy cast-iron, it is equipped with 6 high emission LED sources - **"Winner of Design Plus at Lighting+Building 2006"**
production ing. Castaldi
- 2005 **Hub** - modular lighting system, wall, pendant, ceiling, recessed. Can be used for the attachment of many different light fittings
production iGuzzini
- 2005 **Glim cube** - lighting system for lighting pathways and wall-mounted fittings for use with LED sources. The single and multiple modules (three lamps) can be joined together - **"iF Design Award 2007"**
production iGuzzini
- 2006 **Cestello Light shed** - wall, recessed, suspension lighting system
production iGuzzini
- 2007 **Pays d'aix** - wall or ceiling recessed lamp
production Fontana Arte
- 2008 **Reflex** - projector for indoor. The pointing is done through a mirror placed in front of the lamp
production Metalspot
- 2008 **Osservanza** - road and pedestrian lighting system for use with LED sources
production iGuzzini - prototype
- 2009 **Dogma 66** - light emission instrument device with Lens and LED chip array technology for outdoor - coll. A. Macchi Cassia
production IBT Lighting
- 2010 **Erinace** - floor lamp for use with LED sources
production Artemide - prototype
